Dear Claimant,

We received the Claim Form you submitted in connection with *Precision Associates Inc., et al. v. Panalpina World Transport (Holding) Ltd., et al.*, also known as the Freight Forwarders Class Action Settlement. According to our records, multiple conflicting Claim Forms that identify the same entity were filed on behalf of the Class Member by different filers - for instance, were filed by a third-party filer and/or the entity itself. Based upon the information provided, we are unable to determine which, if any, of these Claims are intended to be the operative Claim.

Claim Number	Date Received	Contact Name

You must identify which Claim filed on behalf of the Settlement Class Member is the operative Claim before we can determine which Claim is eligible for distribution from the Settlement Funds. You have until the deadline above to resolve this conflict with the other party and tell us which Claim Form should move forward in the process and which should be withdrawn.

On the next page, you can find contact information for the party or parties who filed the conflicting Claim(s) so you can contact them in an effort to help resolve which of these Claims should be treated as the operative Claim.

You must return a copy of this letter with your response before the deadline above. In your response, please reference the Tracking Number above and please enclose a copy of the written communication with the other party that outlines the resolution.

If we do not hear from you by the deadline printed on this letter, the Claim filed first will be treated as the sole, operative Claim, and all other Claims will be considered withdrawn and will not be considered for payment from the First, Second, or Third Round Settlement Funds.

If you have any questions, you may contact the Claims Administrator, in the U.S. and Canada (Toll-Free) at 877-276-7340, and internationally (Toll Call) at 503-520-4400; by mail at the above address; or by email at questions@FreightForwardCase.com.

Sincerely,

Claims Administrator
