The Honorable John Gleeson  
United States District Court  
Eastern District of New York

Brooklyn, NY 11201

**Re: Precision Associates, Inc. et al. v. Panalpina World Transport (Holding) LTD. et al., No. 1:08-cv-00042-JG-VVP**

Dear Judge Gleeson:

This past Friday July 26, 2013, Plaintiffs filed their formal Motion for Settlement Approval [Dkt. 854] and an accompanying Memorandum in Support [Dkt. 855], seeking final approval of ten proposed settlements, and noticing that Motion for hearing on August 9, 2013.

Among other things, Plaintiffs' Memorandum in Support addresses the objections to the Schenker settlement agreement filed by Intervenor-Plaintiffs Hewlett-Packard ("HP") and Dell, Inc. ("Dell") (collectively "Intervenors") on June 25, 2013 [Dkts. 842 & 843].

HP anticipated that it would need leave of Court to respond to Plaintiffs' filing [Dkt. 849]. However, having reviewed Plaintiffs' Motion, it now appears that the Intervenors, as parties to this action, may respond as of right to Plaintiffs' Motion by way of an opposition pursuant to Local Rule 6.1(b). Accordingly, the Court need not rule on our prior request for leave for further briefing.

While Local Rule 6.1(b) provides parties fourteen days to file an opposition, Intervenors are prepared to file their oppositions in seven days, in order to preserve the August 9 hearing date. To that end, we advised Plaintiffs' counsel earlier today that we intend to file our Opposition by this Friday, August 2, 2013.

Very truly yours,

Michael J. Stortz
