**DECLARATION OF BLAKE M. HARPER IN SUPPORT OF
PLAINTIFFS' PETITION FOR ATTORNEYS' FEES
AND REIMBURSEMENT OF EXPENSES FILED ON BEHALF OF
HULETT HARPER STEWART LLP**

I, BLAKE M. HARPER, declare and state as follows:

1. I am a member of the law firm of Hulett Harper Stewart LLP, and submit this Declaration in support of Plaintiffs' petition for an interim award of attorneys' fees and reimbursement of costs and expenses in connection with services rendered and expenses incurred by my firm in connection with this litigation.

2. My firm has acted as counsel to Plaintiffs and the Plaintiff class in this class action. During the period of approximately November 2012 through August 15, 2015, and at the request of Plaintiffs' Co-Lead Counsel, my firm has been involved in the following activities on behalf of the Plaintiffs: coordination with lead counsel regarding Rule 26 disclosures; communications with client regarding case status updates; multiple communications with client regarding document preservation, collection and production; review and analysis of client documents for production to Defendants; communications with client regarding responses to multiple sets of interrogatories and requests for admission; multiple communications and

meetings with client regarding deposition preparation, attendance at client's deposition; review, analysis, and coding of documents produced by Defendants in this action.

3. The schedule attached hereto as Exhibit 1 is a detailed summary indicating the amount of time spent by the partners, attorneys, and other professional support staff of my firm who have been involved in this litigation, and the lodestar calculation is based on my firm's current hourly billing rates except for work done on document review which is capped at \$400 per hour from inception through August 15, 2015 except for time submitted in the first interim fee petition filed on September 10, 2013.

4. The total number of hours expended on this litigation by my firm from inception through August 15, 2015, excluding the hours submitted in the first interim fee petition filed on September 10, 2013, is 2,196.45 hours. The total lodestar for my firm is \$905,136.25. My firm's lodestar figures are based on the firm's current hourly billing rates. The hourly rates for the partners, attorneys, and professional support staff in my firm are the same as the usual and customary hourly rates charged for their services in contingent billable matters. The total hours were determined by the examination of contemporaneous daily time records regularly prepared and maintained by my firm, and which have been provided to co-lead counsel for their review.

5. As detailed in Exhibit 2, my firm has incurred a total of \$44,987.83 in unreimbursed expenses during the period of inception through August 15, 2015, not counting the expenses submitted in the first interim fee petition dated September 10, 2013.

6. The expenses incurred in this action are reflected in the books and records of my firm. These books and records are prepared from expense vouchers, check records, and other source materials and represent an accurate recordation of the expenses incurred.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on this 17th day of August 2015 at San Diego, California.
