**SUPPLEMENTAL DECLARATION OF  
MICHAEL R. O’CONNOR, ESQ.**

I, MICHAEL R. O’CONNOR, ESQ., hereby declare and state as follows:

53. I am a Vice President at Epiq Class Actions & Claims Solutions, Inc. (“Epiq”) and a licensed attorney in Oregon. I have first-hand knowledge of, and am competent to testify, regarding the matters stated herein.

54. Prior to filing Plaintiffs’ Renewed Motion To Distribute Net Settlement Funds, Amend The Plan Of Allocation, Distribute Funds To Late-Filed Claimants, And Set Deadlines For Objections To Claim Determinations, Epiq identified one claimant whose claim needed further review before a final award determination could be made. Consistent with Epiq’s established High-Value claimant review discussed in my January 28, 2019 declaration, Epiq requested additional supporting data and information from this claimant. Epiq reviewed the claimant data, and based upon its review of the data and the claim, it determined that the claimants’ NES and 3.a claims were only partially supported and therefore, reduced the claimant’s NES and 3.a claims. Epiq informed the claimant of its claims determination including the decision to reduce its NES and 3.a claims.

55. Epiq revised Exhibit X to reflect the change to the claimant's NES and 3.a awards. As a result of the reduction to the claimant's award, all other NES and 3.a claimants' awards increased.

56. Attached to my declaration is a true and correct copy of Revised Exhibit X, which contains updated award determinations for this claimant and all other NES and 3.a claimants.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct. Executed March 15, 2019 in Washington, DC.
